The pharmacy professionals in the videos are real. They have been asked to demonstrate some skills, attitudes and behaviours which may not reflect their daily practice. Many have found it difficult to include aspects of bad practice but you

Download Free Communication Skills In

will see these demonstrated in some videos. We have also used placebos and dummy tablet boxes in some shoots.

~~Consultation skills for pharmacy practice:
Assessment Guidance~~

Pharmacy communication skills can be improved with education and training [3,

Download Free Communication Skills In

14–16], and education standards highlight the importance of teaching communication [17–19]. What is known is that pharmacy students need appropriate training and education to develop suitable communication skills, as well as the opportunity to practice these in clinical situations [20].
