Unlike much of the instant analysis that appeared at the time of the Iranian revolution, *Iran: From Religious Dispute to Revolution* is based upon extensive fieldwork carried out in Iran. Michael M. J. Fischer draws upon his rich experience with the mullahs and their students in the holy city of Qum, composing a picture of Iranian society from the inside—the lives of ordinary people, the way that each class interprets Islam, and the role of

religion and religious education in the culture. Fischer's book, with its new introduction updating arguments for the post-Revolutionary period, brings a dynamic view of a society undergoing metamorphosis, which remains fundamental to understanding Iranian society in the early twenty-first century.

Though "pejoration" is an important notion for linguistic analysis and theory, there is still a lack of theoretical understanding and sound descriptive analysis. In this timely collection, the phenomenon of pejoration is studied from a number of angles. It contains studies from phonology, morphology, syntax, semantics and pragmatics, and deals with diverse languages and their

of Winter, a world without sexual prejudice, where the inhabitants' gender is fluid. His goal is to facilitate Winter's inclusion in a growing intergalactic civilization. But to do so he must bridge the gulf between his own views and those of the strange, intriguing culture he encounters... Embracing the aspects of psychology, society, and human emotion on an alien world, *The Left Hand of Darkness* stands as a landmark achievement in the annals of intellectual science fiction.
