where you are on your home-decorating journey, helping you share the peace of Christ with family members and guests.

The White Table is set in many mess halls as a symbol for and remembrance to service members fallen, missing, or held captive in the line of duty. Solitary and solemn, it is the table where no one will ever sit. As a special gift to her Uncle John, Katie and her sisters are asked to help set the white table for dinner. As their mother explains the significance of each item placed on the table Katie comes to

understand and appreciate the depth of sacrifice that her uncle, and each member of the Armed Forces and their families, may be called to give. It was just a little white table... but it felt as big as America when we helped Mama put each item on it and she told us why it was so important. "We use a Small Table, girls," she explained first, "to show one soldier's lonely battle against many. We cover it with a White Cloth to honor a soldier's pure heart when he answers his country's call to duty." "We place a Lemon Slice and Grains of Salt on a plate to show a captive soldier's

a successful silverware company and a model of buttoned-down corporate propriety. In the early nineteenth century, many Americans were looking for an alternative to the Puritanism that had been the foundation of the new country. Amid the fervor of the religious revival known as the Second Great Awakening, John Humphrey Noyes, a spirited but socially awkward young man, attracted a group of devoted followers with his fiery sermons about creating Jesus' millennial kingdom here on Earth. Noyes established a revolutionary community in rural New York

centered around achieving a life free of sin through God's grace, while also espousing equality of the sexes and "complex marriage," a system of free love where sexual relations with multiple partners was encouraged. Noyes's belief in the perfectibility of human nature eventually inspired him to institute a program of eugenics, known as stirpiculture, that resulted in a new generation of Oneidans who, when the Community disbanded in 1880, sought to exorcise the ghost of their fathers' disreputable sexual theories. Converted into a joint-stock company, Oneida

Etiquette, Limited, would go on to become one of the nation's leading manufacturers of silverware, and their brand a coveted mark of middle-class respectability in pre- and post-WWII America. Told by a descendant of one of the Community's original families, Ellen Wayland-Smith's Oneida is a captivating story that straddles two centuries to reveal how a radical, free-love sect, turning its back on its own ideals, transformed into a purveyor of the white-picket-fence American dream.
