From a business perspective, the primary incumbent in an international business environment is the multinational enterprise (MNE), which is a company that pursues strategic success in global production and sales (i.e. operating within a number of country borders). The number of examples of this type of firm is constantly growing.

## International Business Environments And Operations 14th ...

International business refers to the trade of goods, services, technology, capital and/or knowledge across national borders and at a global or transnational scale. It involves cross-border transactions of goods and services between two or more countries. Transactions of economic resources include capital, skills, and people for the purpose of the international production of physical
