In his sixth business book, bestselling author, entrepreneur, and investor Gary Vaynerchuk explores the twelve essential emotional skills that are integral to his life/and business/success and provides today's (and tomorrow's) leaders with critical tools to acquire and develop these traits. For decades, leaders have relied on [hard] skills to make smart decisions, while dismissing the importance of emotional intelligence. Soft skills like self-awareness and curiosity aren't quantifiable; they can't be measured on a spreadsheet and aren't taught in B-schools or emphasized in institutions. We've been taught that emotional intelligence is a [nice to have] in business, not a requirement. But soft skills can actually accelerate business success. Gary Vaynerchuk argues. For analytical minds, it's challenging to understand how to get [better] at being self-aware, curious, or empathetic/or even why it's important to try. In this wise and practical book, Gary explores the 12 human ingredients that have led to his success and happiness and provides exercises to help you develop these traits yourself. He also shares what the [half] is:that emotional ingredient of leadership he's weakest at and makes the most effort to improve. Working through the ideas and exercises in the book, he teaches you how to discover your own [halves] and offers insight on how to strengthen them. Gary's secret to success is using these twelve traits in varying mixtures, depending on the situation. But how do we know when to balance patience with ambition? Humility with conviction? Gary provides real-life examples involving common business scenarios to show you how to use them together for optimum results. This iconoclastic book will help you refine your ingredients and improve your leadership capabilities. When implemented in the proper situation, these ingredients can help leaders land promotions, retain core employees, move faster than competitors, win the loyalty of customers, and build successful organizations that last.

Jab, Jab, Jab, Right Hook: How to Tell Your Story in a Noisy Social World by Gary Vaynerchuk - Book Summary - Abbey Beathan (Disclaimer: This is NOT the original book.) Learn how to connect with your customers and beat the competition. Bestselling author and social media expert Gary Vaynerchuk comes back again to introduce you to the world of social media marketing and what's the best approach to it. In order to beat the competition, you must use social media platforms or you'll be invisible to your customers. But how do we use this tool in the best way? How can we create a stronger bond with our clients and knock out the competition? Vaynerchuk through years of experience and blood, sweat and tears has finally come up with the answer. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "Make it simple. Make it memorable. Make it inviting to look at. Make it fun to read." - Gary Vaynerchuk. In Jab, Jab, Jab, Right Hook Vaynerchuk shows how the majority of companies are doing it wrong. He shows us the importance of context and why it's more important than ever. You are also going to learn how to perfectly adapt your content into the most important social media platforms of the time which are: Tumblr, Pinterest, Facebook, Twitter and Instagram. There is much to find out and little time to do it! Get the upper hand on your competition before they take the first step. Gary Vaynerchuk will change your point of view regarding social media and teach you how to use their numerous features to your favour. P.S. Jab, Jab, Jab, Right Hook is an extremely helpful book that will teach you the right way to communicate using social media in order to give your business a big advantage. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. Abbey Beathan's mission is to bring across amazing golden nuggets in amazing books through our summaries. Our vision is to make reading non-fiction fun, dynamic and captivating. Amazing Refresher If you've read the original book before **Priceless Checklist** in case you missed out any crucial lessons/details **Perfect Choice** if you're interested in the original book but never read it before **Disclaimer** Once Again: This book is meant for a great companionship of the original book or to simply get the gist of the original book. "One of the greatest and most powerful gift in life is the gift of knowledge. The way of success is the way of continuous pursuit of knowledge" - Abbey Beathan

If this were 1923, this book would have been called "Why Radio Is Going to Change the Game" . . . If it were 1995, it would be "Why Amazon Is Going to Take Over the Retailing World" . . . The Thank You Economy is about something big, something greater than any single revolutionary platform. It isn't some abstract concept or wacky business strategy;it's real, and every one of us is doing business in it every day, whether we choose to recognize it or not. It's the way we communicate, the way we buy and sell, the way businesses and consumers interact online and offline. The Internet, where the Thank You Economy was born, has given consumers back their voice, and the tremendous power of their opinions via social media means that companies and brands have to compete on a whole different level than they used to. Gone are the days when a blizzard of marketing dollars could be used to overwhelm the airwaves, shut out the competition, and grab customer awareness. Now customers' demands for authenticity, originality, creativity, honesty, and good intent have made it necessary for companies and brands to revert to a level of customer service rarely seen since our great-grandparents' day, when business owners often knew their customers personally, and gave them individual attention. Here renowned entrepreneur Gary Vaynerchuk reveals how companies big and small can scale that kind of personal, one-on-one attention to their entire customer base, no matter how large, using the same social media platforms that carry consumer word of mouth. The Thank You Economy offers compelling, data-driven evidence that we have entered into an entirely new business era, one in which the companies that see the biggest returns won't be the ones that can throw the most money at an advertising campaign, but will be those that can prove they care about their customers more than anyone else. The businesses and brands that harness the word-of-mouth power from social media, those that can shift their culture to be more customer-aware and fan-friendly, will pull away from the pack and profit in today's markets. Filled with Vaynerchuk's irrepressible candor and wit, as well as real-world examples of companies that are profiting by putting Thank You Economy principles into practice, The Thank You Economy reveals how businesses can harness all the changes and challenges inherent in social media and turn them into tremendous opportunities for profit and growth.

In Crush It!, online marketing trailblazer Gary Vaynerchuk tells business owners what they need to do to boost their sales using the internet;as he has done to build his family's wine store from a \$4 million business to a \$60 million one. Crush It! will show readers how to find their passion, then step by step how to turn it into a flourishing, monetized business.

The New York Times bestselling author draws from his popular show #AskGaryVee to offer surprising, often outrageous, and imminently useful and honest answers to everything you've ever wanted to know/and more/about navigating the new world. Gary Vaynerchuk,the inspiring and unconventional entrepreneur who introduced us to the concept of crush it!knows how to get things done, have fun, and be massively successful.
