information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

The 6th Edition of the FSI MFT Study Guide was updated to specifically cover the current AMFTRB Exam slated for each of the 12 testing windows in 2018 and beyond; the New 6th Edition contains the correct and accurate information about each of the Knowledge Domains that may appear on the Marriage & Family Therapy Licensing Exam. FSI's "Knowledge Domain-to-Chapter Map" shows where in the Study Guide information can be found about each domain. As FSI hears of any changes to the exam, even after you have purchased the Home Study Program or Intensive Track, we will make the new content available to you via our eStudy site at a discounted price through our eStudy Program if you have purchased either the Home Study Program, eStudy Program or Intensive Track previously. As HIPAA has begun to appear more regularly on the exam, FSI has added an easy to understand HIPAA section in this new 6th Edition, as well as a chapter on Crisis Management and the DSM-5. Used by many COAMFTE Accredited MFT programs, the Study Guide serves as both a foundations and advanced theories text that will also successfully help you pass the AMFTRB National exam upon graduation. The Study Guide is a 600+ page hardbound book which concisely organizes the information most likely to be tested by the AMFTRB. The book presents this large body of knowledge in both a summary and more detailed form, emphasizing the most important concepts needed for the exam, in a very "user friendly" format. It is designed with both recent graduates and the older, very experienced clinicians in mind. Increasingly, COAMFTE Accredited MFT Programs are using the FSI Study Guide in their Foundation Courses to meet the new national exam pass percentage requirements for maintaining accreditation.

This 2nd Edition expands significantly upon the already proven test prep method established in the study guide's initial publication. This updated 2nd Edition includes the following additional chapters: A thorough review of how to think systemically, a new chapter in domain 5 (ethics) and domain 6 (managing crisis situations), introduces the newly developed MFT Licensing Exam's Differential Diagnosis Table for a thorough/compacted review of all DSM-5 criteria, expanded chapter on research methods and techniques, as well as on multicultural practices + a 50-question practice exam! -- Provided by the publisher.

licensing exam in Marriage and Family Therapy. Providing the reader with far more than just questions, this manual begins with an overview of the national exam, test-taking strategies, study techniques, and a unique section on identifying and understanding the knowledge domains measured on the licensing exam. But the reader will benefit most from the 100-question practice exam weighted to the knowledge domains measured on the actual exam while maintaining congruence in rigor and structure. As Domain 1 on the actual exam measures "The Practice of Systemic Therapy" and accounts for 23 percent of the exam, 23 questions on this practice exam fall within Domain 1's criteria-and so forth. What truly sets this practice exam apart is the following chapter providing a through breakdown and analysis of each question as organized by the knowledge domain to which it belongs. Readers will not only be able to score their performance on the exam, but also review which questions were marked incorrect with a provided rationale AND measure how they performed within each particular knowledge domain. And to wrap things up, the author provides an in-depth glossary of key terms and definitions that span the profession and practice of Marriage and Family Therapy. Truly, this practice exam manual stands apart from the rest. Designed to supplement MFT Licensing Exam's Independent Study Guide, applicants can take their next step in test preparations by working through this comprehensive practice exam manual. With MFT Licensing Exam, you can rest assured knowing you TRUST YOUR RESOURCES.
