almost everyone, you're petrified of public speaking, the last thing you want is a lecture! What's more, this is a genuinely practical guide! Unlike most 'self help' books on the topic (or any other), this one doesn't just tell you what to do; in her chatty, good-humored style, Dee explains exactly how, sharing her own experiences and coaxing the reader through a programme that doesn't just work it even makes public speaking enjoyable! Taming Your Public Speaking Monkeys® works so well because its easy, enjoyable style is underpinned by Dee's solid, real-life experience of speaking publicly to tens of thousands of people first in her highly successful twenty-year marketing career (communicating for UK household brands such as Jacob's Creek, Pizza Hut and Jammie Dodgers to name but a few) and now as a public speaking training specialist. Equally vitally, the book draws heavily upon the NeuroLinguistic Programming (NLP) techniques and insights in which Dee is a highly experienced Trainer and Master Practitioner. Taming your Public Speaking Monkeys® is a rare find: a self-help book that really helps and best of all the results come to you quickly and stick with you for life!
