Second Innings My Sporting Life

Second Innings, is his searingly honest yet uplifting autobiography, Flintoff reveals unseen, surprising sides to his career and personality. The restless need to push and challenge himself that led him to take up professional boxing. The complex and troubled relationship with discipline, alcohol and authority during his exhilarating cricket career.

---

Second Innings: My Sporting Life: Amazon.co.uk: Flintoff ...

Perhaps I should have found out more about it before buying. The clue was obviously Second Innings I presume. It picked up a bit later on when he had another go at the game but alas, like his return, it was brief and anonymous. To me this book was about trading on his name and gave minimal insight into life as a cricketer.

Fast bowler, six-hitter, popular hero, one of the lads, king of the jungle - Andrew Flintoff is all of those things. Second Innings, is his searingly honest yet uplifting autobiography, Flintoff reveals unseen, surprising sides to his career and personality. The restless need to push and challenge himself that led him to take up professional boxing. The complex and troubled relationship with discipline, alcohol and authority during his exhilarating cricket career. The search for an authentic voice as a player, free from the blandness and conformity of modern professionalism. Is Flintoff the last of his kind, in any sport? Through all his highs and lows, triumphs and reversals, this book reveals a central tension. There is 'Fred' - performer, extrovert, centre of attention. Then there is 'Andrew' - reflective, withdrawn and uncertain. Two people contained in one extraordinary life. And sometimes, inevitably, keeping the two in balance proves too much. We are taken backstage, seeing the mischief and adventure that has defined Andrew Flintoff's story. Above all, we observe the enduring power of fun, friendship and loyalty - the pillars of Flintoff's career. At ease with his faults as well as his gifts, Andrew Flintoff has sought one thing, even more than success: to be himself. If you enjoyed Do You Know What?, you'll enjoy this memoir of Freddie's sporting career.

'Freddie' Flintoff is perhaps the best-known cricketer in the world, and definitely the most loved in the UK. Widely considered the greatest English all-rounder since Ian Botham, bars at cricket grounds immediately empty the moment he approaches the wicket. It was victory in the 2005 Ashes series that cemented Flintoff's place at the nation's heart, with his stunning performances helping ensure the Ashes were regained for the first time in eighteen years.

Andrew 'Freddie' Flintoff is one of the most exciting cricketers in the world and has improved out of all recognition during the last two years. In 2003, he was England's best player at the World Cup. Then, explosively, he lit up the second half of the summer in 2004, lifting spirits at Lord's with a bat-smashing 142. He walked off with the England man of the series award and averages to flaunt. This book marks his story so far in his own words, taking us up to and including the summer of 2005, during which Flintoff has performed heroics with both bat and ball against Australia. Freddie will highlight the moments and matches in his career that helped him dramatically on his way forward, and reveals what it is like to play for one of the most successful England cricket teams in history.

What's the worst that can happen? Are there aliens out there somewhere? What happens when I die? In

Do You Know What?, our favourite sportsman-turned-comedian-slash-leftfield-thinker Freddie Flintoff expels an eclectic and entertaining smorgasbord of anecdotes, impressions, reflections, ruminations, musings, cogitations, observations, rants, confessions and pearls of wisdom on all aspects of life's rich tapestry. As a prolific philosopher of life's most unfathomable questions, Freddie uses his own inexplicable experiences - from the sublime: giving up booze, shopping in Poundland with his family, exploring the wonders of the universe with his mates; to the ridiculous: wrestling with WWE's finest, singing in a musical on the West End, pranking teammates - to help us all gain the comfort of his life mantra: What's the worst that can happen? Do You Know What? is an unexpectedly helpful, occasionally silly and absorbing brain dump on life and everything it holds, from one of Britain's most-loved national treasures.

Life is a beautiful journey of taking small steps at right time to live happily and to the fullest. If you wish to ignite your minds; set the purpose, fuel your dreams as the ride of life is just for you. Give it wings to fly higher and higher. This book is intended to inspire you for higher level, which you have put off for another day. Get ready to mentor yourself with simple tips and ways that will help you to change your outlook. And make your life worth living and give a new meaning to your life. Live your life as your last innings as everyday is your last day; live life as no one lived and leave a legacy behind you....

The first book to be set in the new Richler typeface, commissioned by Random House of Canada Limited and Jack Rabinovitch in memory of Mordecai. Mordecai Richler's final book pays homage to his personal heroes and celebrates a writer's love of sport with his trademark irascibility, humour and acuity. Even while writing his bestselling novels, Mordecai Richler nurtured his obsession with sports, writing brilliantly on ice hockey, baseball, salmon fishing, bodybuilding, and wrestling for such publications as GQ, Esquire, The New York Times Magazine, Inside Sports, Commentary, and The New York Review of Books. Mordecai himself chose the pieces to include in Dispatches from the Sporting Life, and together they give us an intimate portrait of a man who admired the players and prized the struggle of sport -- as much as he enjoyed skewering those who made a mockery of its principles. His encounters with Pete Rose, Wayne Gretzky and Gordie Howe ("Mr. Elbows...the big guy with the ginger-ale bottle shoulders") are by turns bizarre, moving and uproarious. Richler travelled with Guy LaFleur's Montreal Canadiens ("Les Canadiens sont là!"), but also with the "far-from-incomparable" Trail Smoke Eaters to Stockholm for the world hockey championships, where Canadians are "widely known, and widely disliked." There are wonderful pieces here about Ring Lardner, George Plimpton, Hank Greenberg and lady umpires, and a marvellous essay on his unlimited enthusiasm for the all-inclusive Encyclopedia of Jews in Sports, which includes among its champions Sandy Koufax, "who may well be the greatest pitcher of all time, regardless of race, colour or creed," as well as one Steve Allan Hertz, an infielder who played five total games in Houston in 1964 and had a batting average of .000.

The hilarious and eye-opening new book from one of Britain's best-loved figures.

In C. L. R. James's classic *Beyond a Boundary*, the sport is cricket and the scene is the colonial West Indies. Always eloquent and provocative, James--the "black Plato," (as coined by the London Times)--shows us how, in the rituals of performance and conflict on the field, we are watching not just prowess but politics and psychology at play. Part memoir of a boyhood in a black colony (by one of the founding fathers of African nationalism), part passionate celebration of an unusual and unexpected game, *Beyond a Boundary* raises, in a warm and witty voice, serious questions about race, class, politics, and the facts of colonial oppression. Originally published in England in 1963 and in the United States twenty years later (Pantheon, 1983), this second American edition brings back into print this prophetic statement on race and sport in society.

Voted the greatest English cricketer of the 20th century by the fans, Sir Ian Botham is the English

game's one true living legend and his story both on and off the pitch reads like a Boy's Own rollercoaster ride. Born with a natural genius for cricket, Botham began breaking records with bat and ball from a young age and soon became the man English cricket expected most from. After a troubled period as England's captain, Botham rose once again to become a national hero with his display in the Miracle Ashes of 1981. But, with his confrontational nature and wild streak, he began regularly making the wrong kind of headlines. With accusations of drink and drugs, affairs and ball-tampering, he became hounded by the tabloid pack, never sure whether they wanted him to triumph or implode. Now a Knight and just as famous for his tireless charity work, Beefy gives us the definitive story of his never-dull life and times in his own no-nonsense words.

As I've got older, I've developed this thing where I mutter stuff under my breath if someone's talking nonsense, probably because I'm getting less tolerant with age. My kids have picked up on it, so they'll say, 'Talking to yourself again, Dad?' And my standard reply is, 'Yes, it's the only way I can have a sensible conversation around here.' \*\*\*\*\* Right. Does anybody else watch Donald Trump as a guilty pleasure? When social distancing is over, can people still keep their distance? And these days, why has everyone got an opinion on everything and insist on sharing it? Oh. Scratch that one. From one of Britain's most-loved national treasures comes a much-needed Bible of straight-talking honesty and sharp observational humour. Fresh from months of staying at home, Freddie is ready to impart his effortless charm and wisdom on a wild array of topics. From the significant: climate change - maybe it's our time to go? To the vital: I'm only doing things I like doing now, not the things I should. From age-old wisdom: getting older is great because it is inversely proportionate to the amount of sh\*ts you have to give. To modern philosophies: the internet has backfired and is hindering our ability to actually get information. From time-worn questions: what even is political correctness and has the world really gone mad? To our new reality: what are the politics of zoom and is it okay to keep pretending my computer has crashed? Freddie takes you on a whirlwind tour of his brain as he ponders more of life's most unfathomable questions. Like, just what do you get when you receive the coveted Toby Carvery Gold Card? Right, Said Fred is exactly the tonic you need after experiencing all of the highs and many, many lows of one helluva year.
