CG Says: The 2020 Toyota Prius gains standard Apple CarPlay and Amazon Alexa functionality, along with a Safety Connect telematics system. The Prius Prime now seats five (previously the back seat only held two passengers) and gains standard satellite radio. Prius is Toyota's hybrid compact hatchback sedan and the Prius Prime is a plug-in hybrid version that Toyota claims has an all-electric ...

2020 Toyota Prius | Consumer Guide Auto

CG Says: The 2019 Toyota Prius gains an available all-wheel-drive system that uses an electric motor to drive the rear wheels. The on-demand AWD system operates 0 to 6 mph and, if needed, up to 43 mph. Toyota Safety Sense (forward collision warning and mitigation, pedestrian detection, lane departure warning and mitigation, adaptive cruise control, and automatic high-beam headlights) is now standard on all models.

2019 Toyota Prius | Consumer Guide Auto

Toyota's Prius is one of the original modern hybrids and long one of the best-selling. And though hybrids in general have lost the "green" spotlight to full electric vehicles of late, the Prius remains one of the most comfortable and practical fuel-misers on the road.

2020 Toyota Prius The Daily Drive | Consumer Guide®

Toyota Prius: plenty of kit and tech as standard The Toyota Prius is available in four specification grades, of which the top two can be selected on the Plug-in model - Business Edition Plus and Excel. Even entry-level Active trim features dual-zone climate control, LED headlights, DAB radio and adaptive cruise control.

Toyota Prius Review (2020) | Parkers

Fuel economy is essentially unbeatable. In Consumer Guide testing, we have averaged 43.3 mpg in winter driving and 49.6 to 51.9 mpg during other seasons. The Plug-In model can go about 11 miles on just electric power before the gas engine has to kick in, but it will also kick in under anything other than mild acceleration.

2010-15 Toyota Prius | Consumer Guide Auto

The bulk of the Toyota Prius lineup is EPA-rated at an impressive 54 mpg city/50 highway. The Prius Two Eco model does even better at 58 city/53 highway, thanks to additional fuel-economy measures such as extra-low-rolling-resistance tires, a lightweight inflater kit in place of a spare tire, a lighter-weight lithium-ion battery, and deletion of the rear-window wiper.

Used Toyota Prius hybrid buying guide An inexpensive used hybrid could be ideal for post-Covid commuting. The Mk2 Prius is plentiful - and has a good reputation for reliability

Used Toyota Prius hybrid buying guide - The Telegraph

Consumer Guide's test Prius was a pre-production prototype, so some of its fit-and-finish elements and trim details weren't entirely up to production standards. The rear suspension has been redesigned with the goal of improving ride and handling (and creating more cargo space).

Test Drive: 2016 Toyota Prius - Consumer Guide Auto

CG Says: The 2017 Toyota Prius v is little changed. The Entune multimedia control system now incorporates Apple Siri Eyes-Free capability. Though Prius v gives up some fuel economy compared to the original Prius, its excellent packaging makes it an arguably more attractive option for families and active folks looking for better gas mileage than most any midsize car or SUV can deliver.

2017 Toyota Prius v | Consumer Guide Auto

The latest review of Toyota Prius measures performance, economy, comfort, practicality and reliability. See customer reviews across Britain from AA Cars.

Used Toyota Prius Reviews, Used Toyota Prius Car Buyer ...

Toyota says the Prius c will do 0-60 mph in 11.5 seconds. That's hardly fast, but our seat-of-the-pants impression is that the car feels a bit more sprightly. Transitions between electric and gasoline power are virtually seamless. In Consumer Guide testing, we averaged an outstanding 57.7 mpg. Prius c uses regular-grade gasoline.

2012-15 Toyota Prius c | Consumer Guide Auto

Toyota Prius on-the-road prices RRP from £24,875 and rises to around £29,535, depending on the version. How much mpg does the Toyota Prius get? According to the official figures, the Toyota Prius's fuel economy ranges between 59mpg and 217mpg.
